FIRE DISTRICTS

WORKSHEET A

COMPUTATION OF STATUTORY SPENDING LIMITATIONS

Divide the assessed valuation of the real property subject to taxation by the fire district as shown on each assessment roll for the district completed in the second calendar year prior to that in which the expenditures are to be made, by the town equalization rate established for each roll by the State Office of Real Property Services.

(Example: For budget preparation in year 2 (current year) and taxes to be raised and expended in year 3 (next year), use assessment roll completed in year 1 (last year) divided by the town equalization rate established for this assessment roll. Note: A different equalization rate is established for each year's assessment roll.)
